

Adapter Plates

Updating your facility with Meltric plugs and receptacles is simple and affordable with MELTRIC's adapter plates. They allow the mounting of meltric devices to existing boxes previously used for competitive devices. This avoids the cost and hassle of installing new boxes and performing associated re-piping and rewiring. If an adapter plate for the box you have is not listed, contact customer service and MELTRIC will design a new one to fit your application.

Install MELTRIC on virtually any existing back box
No need to bend conduit or pull wires.

MELTRIC Adapter Plates
Available for hundreds of competitive wall boxes, disconnect switches and mechanical interlocks.
