

PNHT High Temperature Plugs & Receptacles

product improvement description

Meltric is improving the PNHT product line.

New Rating: 465°F / 240°C

Old Rating: 365°F / 185°C

how to order

PNHT part numbers have changed. The old part numbers are obsolete. Two different part numbers can be ordered depending if you have a completely new installation or if you need to mate with older existing devices.

For new installations, order the new part number for new installations. This part will **NOT** mate with the old devices.

For existing installations that must mate with previously installed devices order the new '**K-suffix**' part number. These parts should not be operated in temperatures exceeding the rating for the old / existing device.

Receptacles	Obsolete Part Number	New Part Num for new Installs Does NOT mate with old part	New Part Num for Mating w/Existing Installations
125VAC, 1P+N+G:	09-24015-185	09-24075-185	09-24015-K07-185
250VAC, 2P+G:	09-24012-185	09-24072-185	09-24012-K07-185
125/250VAC, 2P+N+G:	09-24016-185	09-24076-185	09-24016-K07-185
250VAC, 3P+G:	09-24013-185	09-24073-185	09-24013-K07-185
125/250VAC, 3P+N+G:	09-24017-185	09-24077-185	09-24017-K07-185
277VAC, 1P+N+G:	09-24035-185	09-24045-185	09-24035-K04-185
