

# P66 INLET

4168223L

## SPECIFICATIONS

660 A

1000 VAC

IP66/IP67

|                                  |                              |
|----------------------------------|------------------------------|
| Rated Current (A)                | 660 A                        |
| Rated Voltage (V)                | 1000 VAC                     |
| Contact Configuration            | 3P+G                         |
| Auxiliary Contacts               | +8 AUX                       |
| Environmental Rating             | IP 66/67                     |
| Impact Rating                    | IK10                         |
| Material                         | METAL                        |
| Product Color                    | GRAY                         |
| Minimum Operating Temperature    | -40F<br>-40C                 |
| Maximum Operating Temperature    | 140F<br>60C                  |
| Wiring Capacity - Phase Contacts | LUG TERMINAL                 |
| Accessory Size                   | 8                            |
| Base Drawing Number              | <a href="#">4168xxxL.pdf</a> |
