

# Product Change Announcement

## Removal of Color Coding Device Terminals

Issue date: 1 January 2022

### Product Change

Effective January 1<sup>st</sup>, 2022, the color coding of device terminals in MELTRICs plugs and receptacles has been discontinued. Although the color coding has been removed, the ground, neutral, and phasing markings remain. These markings are molded into the insulator where the wiring terminals are located.

### Have questions or need technical assistance?

Live-by-phone Customer Service and Engineering support are available Monday through Friday from 7:00 AM - 5:00 PM Central Time. Call 414-433-2700 for assistance. Product information is also available on the MELTRIC website at [meltric.com](https://www.meltric.com).
