

Product Change Announcement

New receptacle drawbars for DS100, DR150, DSN150, and DSDC9

Issue date: 4 August 2022

Product Improvement

Effective August 4, 2022, the DS100, DR150, DSN150, and DSDC9 will be supplied with a more robust drawbar. The drawbar, which is stronger and more secure will be incorporated into both the metal and poly receptacles.
