

# New Product Announcement

## Removal of 3Ø on Voltage Labels

Issue date: 10 March 2023

### Simplified Voltage Stickers

#### Effective Immediately:

MELTRIC has begun the process of removing the 3Ø marking on voltage stickers. Changeover will occur as we run through inventory for our existing voltage stickers. This change will be effective for all voltage ranges.

Old Voltage Sticker with 3Ø marking

New Voltage Sticker without 3Ø marking
